

IIBA Saskatchewan Sponsorship

Sponsorship Program

The **IIBA Saskatchewan Chapter** advances the Business Analysis profession through professional development, certification support, and community engagement.

We bring together business analysts, project professionals, change leaders, and industry experts from across Saskatchewan.

Through events, learning opportunities, and networking, we help professionals grow their skills and contribute to business success.

Building Our Community

Our sponsors make this possible.

By partnering with IIBA Saskatchewan, you support the growth of a strong and connected professional community while gaining visibility among business and technology professionals.

Every sponsor plays an important role, and we value contributions at all levels.

Your sponsorship helps us:

- Host professional development events
- Bring industry experts and presenters to Saskatchewan
- Create networking opportunities for members
- Support certification and career growth
- Deliver workshops and learning sessions
- Promote knowledge sharing and best practices
- Support students and emerging professionals
- Expand our reach across Saskatchewan
- Invest in the future growth of the Chapter

Together, we can strengthen the Business Analysis profession and help build a skilled, future-ready workforce in Saskatchewan.
